

At Matthew Flinders GSC we use an online portal called 'Compass' for parent access to student information, news, excursion information, reports, etc.

To access Compass click the link on this website or go to **<https://mfgsc.vic.jdlf.com.au>**

Parents should receive a Compass welcome letter with login details. Upon first login you will be required to change your password (which must be all numbers) and confirm or update your email address and mobile phone number. These details may be used by the school for SMS, password recovery and email communication throughout the year.

You are encouraged to check the Parent Portal at least weekly for news and updates on student attendance, learning tasks and on-going reporting.

If you have any questions about the parent portal, or have not received your welcome letter please don't hesitate to contact us at the College.
